

Larson A Candidate For County Sheriff

Former Sheriff Charles E. Larson of Antioch announced today that he will seek the Republican nomination for Sheriff of Lake County in the March 17, 1970 primary election.

Larson, 54, served as Sheriff of Lake County from 1962 through

Larson

1966 and has a total of 23 years service in the Sheriff's Department.

He began in 1946 as a patrol-

man and worked in nearly every capacity in the office, including process server, juvenile officer, criminal investigator, lie detection expert, and chief deputy.

He is a graduate of the FBI National Academy. He currently holds the rank of Captain, and for the past three years has served as Court Officer in the Circuit Court of the 19th Judicial circuit.

During his campaign Captain Larson proposes to stress a number of issues which he believes are of vital interest to the electors.

Among these will be his qualifications to restore to the office an efficient administration of its internal affairs.

He points out this area of the Sheriff's office has been woefully inadequate in the past three years, as indicated by the extensive turn-over in experienced personnel.

This situation has occurred in spite of the existence of the Merit Commission, which was established by Larson during his term

Industrial Booklet Available

A comprehensive booklet, extolling the Village of Antioch and the surrounding area, sponsored by the Village and the Antioch Chamber of Commerce and prepared by the Antioch Industrial Council is now available.

The principal use of the 37-page booklet will be to attract industry to the area, according to H. A. (Pete) Pickard, chairman of the council.

Pickard said the booklet will be available for the price of \$1 at five locations. They include the Chamber office, Village Hall, State Bank of Antioch, First National Bank of Antioch, and the Antioch Savings and Loan Assn.

The booklet, which describes the general area of the Village and the Township lists such things as churches, schools, medical facilities, community facilities, available housing, weather and climate, industry presently located in the area, recreational facilities, banking facilities and much more.

It also includes the location of seven industrial sites readily available and lists what would make them attractive to a new industry locating here.

The information is on file with the State Chamber of Commerce and the Illinois Department of Economic Development where inquiries will be funneled to the local council.

The one thing the booklet does not contain, however, is specific information on labor, which the council found not readily available to it.

As a result, Pickard said, the

Bartlett New Trustee To Fill Vacated Post

A son of a former Antioch mayor has been appointed trustee to fill the vacancy created last month by the resignation of Richard Daniel.

George W. Bartlett, 49, was confirmed Monday night for the post by the trustees on the recommendation of Village Mayor Raymond Toft. Bartlett's selection was unanimous.

Bartlett, customer service foreman for Northern Illinois Gas Co. at Crystal Lake, will serve until April, 1971, when he'll have to run for Daniel's unexpired term of two years.

A life-long Antioch resident, Bartlett had sought a public office 10 years ago when he ran unsuccessfully for a seat on the Antioch High School Board of Education.

Bartlett for two years was a member of the Antioch Planning Commission, having resigned just recently. He was formerly an active member of the Antioch Rescue Squad for about 15 years immediately after the unit was chartered.

An employee of Northern Illinois Gas for 28 years, Bartlett is a graduate of Antioch High School with the class of 1939.

He and his wife live with their daughter, Holly, an Antioch High School senior, at 1100 Victoria St. Bartlett's father, George B. Bartlett, served the village for 24 years as village board president. He served his first term from 1923 until 1927. He stayed out of public life for two years until 1929 when he was elected, and died Oct. 1, 1949 while in office.

He came to Antioch in 1885, and worked on a farm. Later he serv-

ed as a school teacher and rural mail carrier and as an employee of the Brook Bank (Antioch State Bank).

Daniel, elected last April, quit as trustee because he is building a home on Antioch Lake and will be ready for occupancy by April 1970. Daniel is vice president of the State Bank of Antioch.

The trustees denied the request of Home Builders Jory, Inc. of Waukegan for a storage and office trailers on its construction site in Oakwood Knolls.

Mayor Toft appointed Trustees Richard Radke, Bartlett, and Vern Barnstable to make a study of rates for water and sewer hook-up for industrial and multiple homes.

The current fee is \$50 for home, apartment building or industrial plant.

"It is unfair for a single family owner to pay \$50 when an apartment owner with maybe 10 or 12 units paying the same amount," said the mayor.

The October police report showed that 68 traffic tickets were issued, 27 of which were for speeding; the police investigated 12 vehicular accidents, seven cases of vandalism, five juvenile cases, 10 thefts and burglaries.

The police arrested four persons for disorderly conduct, one for theft under \$150, two for discharging firearms within the village.

Township Officials Oppose Remap Laws

A resolution opposing a series of new laws which call for the reapportionment of Illinois counties under township government was passed during a session for supervisors during the sixtieth annual convention of township officials held in Peoria last week.

The resolution was proposed by a Lake County delegate, Supervisor Ronald Coles of Lake Villa Township. Coles told the near three-hundred supervisors of the meeting, "To me, reapportionment is the beginning of the end of township government."

After a show of hands indicating almost unanimous opposition to the newly signed laws, Coles was named chairman of a committee to draft the resolution which was later passed by the assembly. It calls for legislative delay of any further implementa-

tion of the one man, one vote principle until the constitutional convention takes up the question

Former Antioch Man Dies

Thomas B. Comerford, 42, of Martinsville, Ill., died Thursday, Oct. 30 in St. Anthony Hospital, Terre Haute, Ind.

Mr. Comerford, owner and publisher of two weekly newspapers in eastern Illinois, had undergone brain surgery Dec. 24, 1968.

Funeral services were held last Saturday from Our Savior's Catholic Church, Jacksonville, Ill., with burial in Memorial Lawn Cemetery.

He is survived by his wife, Peg, and five young sons, Jeff, Todd, Conn, Dann and Tedd.

Mr. and Mrs. Comerford operated Peg and Tom's Soda Bar in Antioch a number of years ago.

Pumpkin Winners Named

Ann Simonsen, of 406 Second St., Antioch, and Tom Duncan, of Rte. 2, Box 356, Antioch, were the big winners in the State Bank of Antioch's pumpkin decorating contest.

There were 111 entries received from Illinois and Wisconsin youngsters from pre-school through the 8th grade.

Judges for the contest were Mrs. Jane Craner, art instructor at the Antioch High School and Bernadette Bay of Bernadette's Art Store.

Some 30 additional prizes were given -- savings accounts at the bank -- ranging from \$2 to \$20.

Receiving the \$20 accounts were Lynn Doerrfeld, Lindenhurst, Kathy Doty, Antioch, Cindy Irmen, Antioch, Kathy Knutsen, Antioch, and Quinn Stagg, Lake Villa.

In addition five \$10 awards were given and 20 \$2 awards.

Winners of the String-Ray Bicycles in the State Bank of Antioch Pumpkin Decorating Contest are, from left, Ann Simonsen, 406 Second St., Antioch, fifth grader at Antioch Grade School and Tom Duncan, Rte. 2, Box 356, Antioch, fifth grader at Oakland Grade School.

Rotarians Are Seeking Candidates For Grant

The Rotary Club of Antioch is seeking young people in this area to apply for an award to study abroad for a year under a grant from The Rotary Foundation of Rotary International, according to Owen Duffy, president of the club.

Those interested may secure application forms and information by writing Dennis Lento of 845 Main Street, Antioch a Rotarian who is in charge of the project for the club.

The Rotary Foundation's educational awards program has been in effect since 1947 and was created for the purpose of furthering international understanding.

Since 1947, more than 4,000 students, craftsmen and young business and professional men have received these awards, supported by voluntary contributions of Rotarians and other interested people throughout the world. To date, these study grants have totaled more than \$9,000,000.

This year, according to International Service Chairman Vincent J. Patla, Jr., the Foundation is providing \$1,190,000 to 571 young men and women. There are three types of educational awards offered by The Rotary Foundation;

Graduate Fellowships, for students who have a Bachelor's Degree or equivalent; Undergraduate Scholarships, for students doing university-level work who have not yet attained a degree; and Technical Training awards, for young artisans or craftsmen with at least two years' experience in their chosen field.

In addition, grants are made

to teams of six young business and professional men to spend two months abroad studying the financial, industrial, rural and cultural traditions of another country in a district sponsored program.

Each year, each of the nearly 300 districts of Rotary International is entitled to submit a

'Orphan Girl' On PM&L Agenda

PM&L, Inc., Antioch's very active little theatre organization, has chosen the melodrama, "Only An Orphan Girl" as their first production at the Antioch Country Club.

"This Soul-stirring drama of Human Trials and Tribulations in four acts" will be presented on Friday and Saturday evenings from November 21 through December 13. Curtain time is 8:30 p.m.

This is an "engagement extra-

ordinary" directed by Don Beveroth of "A Funny Thing Happened on the Way to the Forum" and "Odd Couple" fame. It is a villain, hero, heroine, mortgage situation right from the pages of the past -- a melodrama in which the audience can't help but participate with "hisses and boos".

A stellar cast has been chosen by director Beveroth. Arthur Rutherford (From the City) (the Villain) is played by Al Ramsay

Jane Craner To Attend Art Confab

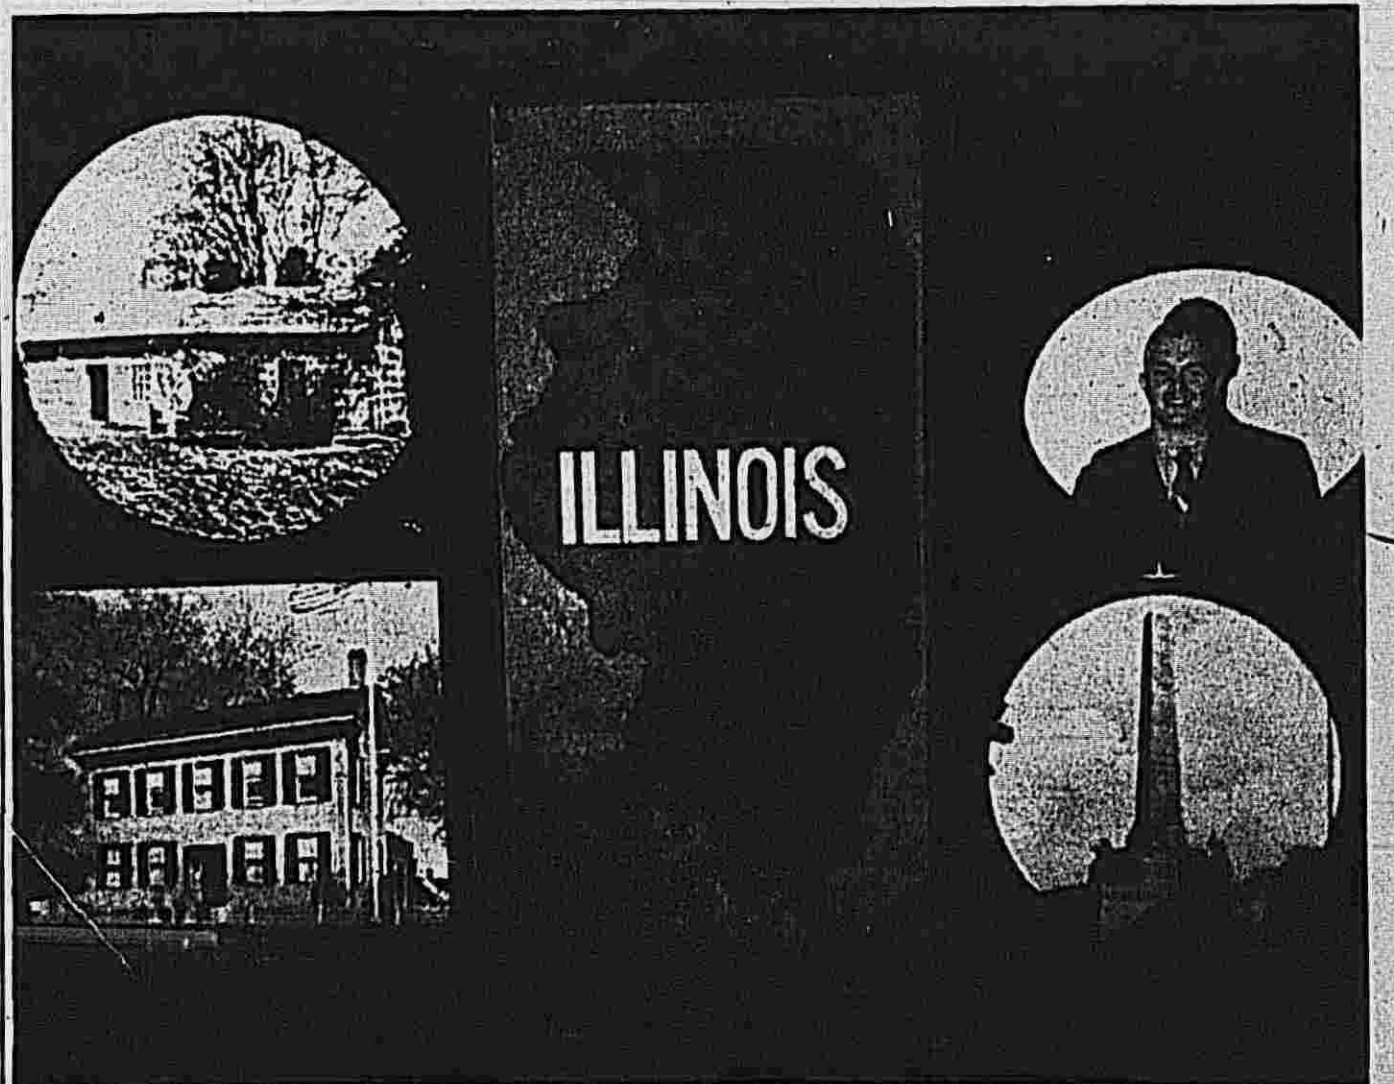

Mrs. Jane H. Craner of Antioch Community High School plans to attend the 21st Annual Illinois Art Education Conference being sponsored in co-operation with the University of Illinois, Nov. 12-15.

The theme chosen is, "The Becoming State of Art Education." The title was selected because of the extreme growth that is taking place in this field of study. Interest in Art is at a very high level in the State of Illinois.

A good variety of subjects will be discussed at length in panels and by forums. For instance at one point Psychedelic Art will be discussed in relation to Drugs and Drug use in the State of Illinois. Three inspectors from the State of Illinois and a high school teacher will attempt to make observations on this. Another highlight will be the Baron and Bailey Light Circus which will show the use of light as an art media.

Speakers from the staff of the University will give their views of some of the various kinds of

Communications Gap

The President's address to the nation on Monday broke no new ground in the realm of peace initiatives.

It added up to a carefully prepared appeal for homefront support of the administration's Vietnam policies.

Many people differ in their opinion as to the war in Vietnam and how the end should be accomplished. But, they do agree on one point and that one point is that something other than what is being done should be done.

Many citizens had high hopes that Monday's address would at long last close the communications gap that has existed between government and its people.

As the president stated "I believe that one of the reasons for the deep division in this nation about Vietnam is that many Americans have lost confidence in what their government has told them about our policy."

Many are of the opinion that support would be greater if only the government would learn to communicate with the American people.

They cannot and should not be asked to support a policy which involves the overriding issues of war and peace unless they know the truth about that policy. Nixon's address failed its objective.

Failure to communicate is our greatest problem in today's world. Most of our troubles are due to a misunderstanding between two parties. How many of us stop to think who might be hurt by our action or doings.

Ninety per cent of what we do lies on the path of proper communication.

What can be more wonderful than truly to speak to, truly to know another person? When two people really speak each other's language, they bring the spirit from its hiding place, and life is at its best.

Communication is indeed the link that unites us with our fellow men. When it comes, it is like a miracle because it happens so rarely.

Perhaps it has never been harder for people to talk to one another from the heart than it is today, and yet never have we needed it more.

In a desperate world where we must speak across the barrier of race and nationality, we need communications to understand the strangers we constantly confront. We need it because we encroach on each other so, and our hostilities cost us so much.

Why is it so hard for us to communicate? In the first place, because we are not alike. If one mentions politics and religion to his neighbor, the words will not mean to him what they mean to you, because his childhood, his home, his heredity, his beliefs are different.

True communication begins when we not only accept the other person but also accept him with delight, despite all his faults and frailties.

Communication by the President's own admission is the cause of the deep division in this nation in regards to Vietnam.

The bureaucrat machine that remains in charge regardless of who is President has tuned the 'great silent majority' out that the President so fondly speaks.

If the President would by-pass these people and establish proper communications with the citizens our progress would be greater.

Many of our government officials work for the betterment of the community and the world but they do it without the people.

With the people we can do it faster and we can do a better job of it.

Recruiting Office Gets New Home

The Army recruiting office is now located at 106 S. Genesee, it was announced, this week by Staff Sergeant Ronald Brasket, in charge of recruitment in the Waukegan area. The office was previously located for the past 5 years at 620 1/2 Washington.

Sgt. Brasket said the new office will be open from 8 to 5, Monday to Friday and 9 to 1 on Saturday.

During these hours Sgt. Brasket is available to answer questions on enlistment opportunities in the Regular Army and Officers Corps, The Women's Army Corps, and the Army Nurse Corps.

Fire caused an estimated damage of \$150 in the village and \$280 in the Antioch Fire District during the month.

The trustees approved the purchase of 1968 truck for \$4,000 to be used by the Antioch Fire Department as an equipment truck.

The village treasurer was authorized to sell a \$20,000 certificate note to be deposited in the general fund, and from the same source to buy a treasury bill in the amount of \$40,000.

The trustees also allowed \$12,000 to be transferred from the general to the street fund.

A package liquor permit is being held in abeyance for Ed Prawdzik, a tavern owner, who wants to open an outlet on Rts. 59 and 173.

Prawdzik wanted the assurance of the board that the permit will be available to him in order to allow him to negotiate for a site to construct a building near the two highways.

The board voted to grant Prawdzik the permit provided he picks up the license by May 1, 1970 and that the building housing the liquor store meets all village codes in construction and parking.

Prawdzik in his letter to the board said he would surrender his license at 911 Main St. where he operates Mr. Ed's Tavern.

The board held that it would void the application if the permit is not picked up by May 1 and his proposed building does not meet building requirements.

of office as Sheriff and designed by him to upgrade the professional status of law enforcement officers and to afford to them a measure of job security independent of political interference.

In addition, Larson directs attention to the deplorable lack of successful criminal investigations in the unincorporated areas of the County.

He proposes, when elected, to reactivate a competent staff of investigators to halt the widespread incidence of serious crimes against persons and property.

It was Larson, during his term as Sheriff, who personally directed the teams of investigators that lead to the break up of the notorious ring of burglars known as the "Ruth Dell" gang. The principals in this gang are now serving long terms in the penitentiary.

His many supporters have convinced him to make this race stating he is the best qualified and only experienced candidate for this important office.

WANTED: THREE HOMES THAT NEED PAINTING

Three local home owners will have the opportunity to eliminate outside painting permanently and beautify their property at substantial introductory reductions with the new 1970 solid vinyl siding pioneered by B. F. Goodrich Co.

Engineered to eliminate denting and noisy defects of aluminum siding the new product is laboratory tested twice as strong as any other metal siding. Combined with a color thickness forty times that of sprayed aluminum finishes it renders a beautiful textured

appearance restoring the home to the traditional colonial style.

As a pre-fall introductory trial the authorized distributor will renovate three homes, at factory cost, with no down payment, and small monthly budget terms, to familiarize property owners and stimulate interest in the new advances in exterior building materials.

Trained factory mechanics install the colonial panels right over outside walls with nothing to remove. Especially simple on wooden buildings, it can also be applied over stucco and cement block, transforming the walls to the quiet dignity of a colonial style home, duplicating the natural beauty of wood, without its defects, while eliminating the cracking and peeling which have disappointed local homeowners with wood, asbestos and aluminum siding.

Qualified homeowners desiring to take advantage of this special offer should write the local distributor since this offer is limited.

more than 100,000 Cancer Crusade volunteers in their statewide mission to reach as many residents as possible with a life-saving message, while seeking a financial goal of \$2,725,000 for research, education and service.

Karnes emphasizes that "the coming Cancer Crusade is an especially crucial effort, since the government has cut critical cancer research expenditures, and more and more scientists are turning to the American Cancer Society as their only means of support."

"Just as important as the financial need," Karnes notes, "is the urgency of reaching and convincing people of their personal role where cancer is concerned. This urgency is best underlined by the tragic statistic that 5,000 Illinois residents died needlessly of cancer last year because they did not get to their doctors in time."

Each Crusader will distribute a lifesaving leaflet, stressing the different ways in which the individual can protect himself, with special emphasis on safeguards against the various types of cancer, not only through certain examinations and tests, but also through personal awareness and action.

Karnes, who is a graduate of the University of Illinois School of Commerce and Northwestern Law School, is the recipient of the Horatio Alger Award and the University of Illinois Alumni Achievement Award. Karnes is a director of Borg-Warner Corporation, LaSalle National Bank, Vaughn's Seed Company, the Chicago Association of Commerce and Industry, the International Dairy Show, Mid-America Chapter of Ireland-U. Dr. Gier, Head of the Department of Biology, Lake Forest College, resides in Lake Bluff with his wife and three children. He was formerly state Crusade Chairman in Iowa and Crusade Chairman in Lake Bluff in 1965 and 1966, so Dr. Gier brings a lot of experience as he has long been a volunteer for the American Cancer Society.

Cancer Films To Be Shown In Waukegan

All women in Lake County are invited to a free showing of films teaching breast self-examination and urging "Pap" smears, at the Waukegan Public Library Auditorium, 128 North County Street, Waukegan, at 7:30 p.m. Thursday, Nov. 13, 1969, sponsored by the Lake County Unit of the American Cancer Society.

Breast cancer is the leading cause of cancer death in women today.

More lives could be saved from this disease if women regularly practiced self-examination and consulted their physicians as the first symptom is discovered.

Uterine cancer, once a most dreaded form of disease, can now be detected before symptoms appear through a simple technique called the "Pap" smear.

Two doctors will be present at the showing of these films to answer questions. This open showing will be presented as a public service and there will be no charge.

It will be followed by a Free "Pap" Clinic at the Barwell Settlement, 201 Liberty Street, Waukegan, on Tuesday, Dec. 2, from 1:00 to 4:00 p.m.

Semmelman, attorney; Howard L. Petersen, clerk of the works; and Jane E. Koskinen, recording secretary. Terms expire at the end of October, 1970.

Commissioners approved payment of \$80,438 to Corbetta Construction Company, the general contractor on Phase II of the courthouse complex.

Petersen reported that work on all areas of the courts building was progressing toward the completion date of November 1. Occupancy of the courts structure is not expected until around the first of the year; following installation of carpeting and office equipment.

of reapportionment. Another resolution, passed by the town clerks, notifies con-con delegates they are opposed to any effort to eliminate township government.

Reapportionment of township counties must be accomplished by July, 1971, and will apparently remove township supervisors from a county's governing body. Thereafter, county board members will be elected from districts of equal population. A board

ACT Elects New Officers For '70

The Lake County Association of Collective Taxpayers board of directors have elected new officers.

They include Thomas Nellisson, Grayslake, president; Robert Forsman, Round Lake, vice president; John Werygo, Lake Bluff, secretary-treasurer; George Hiscott, Highland Park, speaker chairman; Robert Detienne, Zion, membership chairman; and Garvis Fowler, Highland Park, publicity chairman and editor of Spotlight.

The new group expects to establish a county headquarters soon in central Lake County.

may not have less than five nor more than 29 members. Lake County presently has a 37 member board representing the eighteen townships.

County Board Chairman Robert W. Depke is expected to name a special recap committee in the near future to begin the job of cutting the county into new board districts.

Mayor Dominic Kirane of Belvidere, Illinois addressed the supervisors' division on Tuesday and warned of the peril involved with Metro government.

Kirane traced the beginnings of the concept in the U. S. starting in 1894 up to the present. He said an article in Harper's magazine in 1958 dividing the nation into twelve regions for the purpose of consolidating local governments. In January of this year, he said, a bill was introduced in congress calling for establishment of four governmental regions nationally, and for the same purpose, Kirane said.

"The plan and goal of metro proponents is to do away with elements of government below the region level. If approved, this system would eliminate government as we now know it, including townships, counties and even states. Unfortunately too few people have had the courage to stand up for our system, but if we don't

we will be steam-rolled into change by metro planners..."

Waukegan Town Clerk Warren C. Behr was re-elected president of the clerk's division and automatically becomes a member of the association board of directors. Also re-elected to board posts were: Supervisor Bruce Frost of West Deerfield Township, and Walter Kuester, Libertyville Township road commissioner.

Several Lake County delegates were among the nearly one-thousand persons present during the convention when Governor Richard Ogilvie warned local governments to be ready to meet their responsibilities.

The Governor said, "It is time to stop lamenting assaults on the old order of things, and begin developing in your township government an effective and forceful tool for dealing with complex problems."

Speaking of the upcoming constitutional convention, Ogilvie told the officials, "Decisions which will be made in the next few months may set the pattern for local government in Illinois for decades to come. A new constitution should provide a general environment or pattern within which all local government can operate free of the present straightjacket of almost total state control. If you are to suc-

ceed in accepting those responsibilities, you must be open and responsive in dealing with the people you serve. You must bend every effort to modernize your operations. You must conduct your office in a manner above reproach. And you must make township government responsive to the real needs of your constituents."

At a press conference prior to his formal address, the Governor told newsmen he felt the people would reject any proposal in a new constitution to eliminate township government. He said, "The people are anxious and willing to modify and update. But

I don't feel they want violent or radical change."

The Governor charged those present to "make the public aware of the impact of township government on their lives, and encourage their participation. Rather than seeking to discard or avoid your responsibilities, you must pledge yourselves to finding new ways of fulfilling them with maximum efficiency and minimum waste."

Highlighting the township officials convention were divisional meetings for town auditors, assessors, clerks, road commissioners, tax collectors, attorneys and supervisors.

Legion Auxiliary

By Del Jahneke

Mrs. Ray Rathmann, President, and Mrs. William Dowden, Child Welfare Chairman, of the Antioch American Legion Auxiliary 748; were in attendance at the 10th District American Legion and Auxiliary Child Welfare Meeting, held in the Libertyville American Legion Home, on November 2nd. Mrs. Dowden will report on this session at the next unit meeting.

The Lake Zurich Juniors held their Installation of Officers on November 3rd, at the Lake Zurich American Legion Home. Mrs. Rathmann served as their Installing Sergeant-at-Arms, with Mrs. Norman Sankus as Installing Officer; and Mrs. Jean Gudgoun as Installing Chaplain. Susan Rathmann, a Junior, was also present.

The regular meeting of the Antioch American Legion Auxiliary will be held on November 10th, at 8 p.m. in the Antioch American Legion Home. There is a good deal of business to be transacted that evening. Mrs. Trudi Nelson is the hostess chairman.

Members are reminded that the 10th District Auxiliary Meeting will be held at the Vernon American Legion Home in Prairie View, at 8:00 p.m., on November 12th. Mrs. John Mould, Wauconda, District President, will conduct this meeting.

Lose 10 Lbs. In 10 Days On New Grapefruit Diet

NEW YORK (Special) — This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada. Word of its success has spread like wildfire because this is the one diet that really seems to work for most overweight people. A well known Toronto columnist recently praised it to the skies. He reported losing 20 pounds quickly and easily long after he despaired of ever getting down to his wartime weight of 165 pounds, all without giving up the occasional beer or rye. If it is followed exactly the average overweight person should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly forbidden. Such as big steaks trimmed with fat, Southern fried chicken, rich gravies, oysters, lobsters swimming in butter, bacon, fats, sausage and scrambled eggs. You can eat until you are full, until you cannot possibly eat any more. And still you should lose 10 pounds in the first ten days, plus 1 1/2 pounds every two days thereafter until your weight is down to normal. The secret behind this new "quick weight loss" is not generally known. Fat, it has been discovered, does not form fat. Perhaps fat fights fat. And the grapefruit juice in this new diet might act as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and blood are gone you will cease to lose weight and your weight will remain controlled. A copy of this new and startling successful diet plan can be obtained by sending \$3 to The KANE ASSOCIATES

P. O. Box 846
Grand Island, Nebr. 68801

Unconditional money-back guarantee. If after trying the diet plan you have not lost 10 pounds in the first 7 days, another 5 pounds in the next 7 days, and 1 1/2 pounds every two days thereafter, simply return the diet plan and your \$3 will be refunded promptly, and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth, while still enjoying hearty breakfasts, lunches and dinners. Order now before others snap up the limited supply.

Congratulations are in order for Henry Greve, member of the Antioch Moose Lodge for quite a few years, who has finally joined the ranks of the 25 Club Division. He was presented with his 25 Club honor pin on Wednesday evening, at the regular Lodge meeting by the Governor, Gerry Kusch, Henry, who is a very quiet, sincere applicable man is recognized by the members for all the efforts he has attributed to his fraternity. At the present time he is the secretary for the Legionnaires of Antioch, the second degree of the Loyal Order. He was very happy and proud to receive the 25 Club pin because it had taken such a long time to get it.

The annual feather party, which is also a project of Henry Greves, was held at the Antioch Moose Home, Saturday evening, November 1, and it was a very successful evening. The members who came and gone in strives, received many prizes of ducks, geese, turkeys and many other various prizes, all donated by the businessmen of Antioch and the surrounding areas. Chairman, Mary Wilkison, of the membership committee of the Women of the Moose, served hot sandwiches of roast beef and bratwurst during the evening with the assistance of the members of her committee, Gerry Stoxen, Cookie Hansen, Lil Birdsall, Joffanna Zurn and Karen Bartuska. All monies donated for the feather party will be earmarked strictly for the childrens benefit.

There were more candidates than members for the enrollment which was held at the Antioch Moose Home on Sunday morning, Oct. 26. Just too many activities going and all at the same time. The mens style show which was held the evening before, was a big evening for the members and this was the reason for the poor attendance on Sunday morning. But nevertheless an enrollment was had and breakfast was served prior to the ceremony. Enrolled as new members were Thomas Seluga, Gerald Schlabbach, Danzie Edwards and Roger Baker, all sponsored by Charles Kenyon, member of Lodge 162. Marylin Broyles, Albert Simonsen and Peter Reitz, all sponsored by Lester Sperling, Clayton A. Zoll, sponsored by Ray Stickler, Donald Hoppe, sponsored by Don Sheppard, Donald Smith, sponsored by Bernard Puig and Walter Miller sponsored by George Sepey. Members who were re-enrolled were Ralph Johnson, sponsored by Ed Kurtz, Louis Caputo, sponsored by Henry Greve and Eddy Prehl sponsored by Leonard Kohl. The Antioch Ritual team performed the enrollment ceremony.

A few months ago, the members of the Antioch Moose went on a hay ride and they had so much fun that they are repeating another hay ride on Saturday evening, November 15th. They will be leaving the lodge at 8 p.m. and a new destination has been planned. Donations are \$5.00 per couple with refreshments served. More information can be obtained at the lodge.

The first 3rd District meeting for this term, will be held at the Antioch Moose Home on Saturday evening, November 8 starting at 7:30 p.m. Governor, Gerry Kusch would like very much to have as many members attend as possible. He would like a good showing for the lodge and a big welcome to the new 3rd District vice-president. Refreshments will be served following the meeting to all members in attendance.

With the approaching of the holiday season, the fish fries at the Antioch Moose Home are scheduled for the first three Fridays only. Scott Birdsall will be chef on Nov. 7, Mike Phillips on Nov. 14 and Wally Kusch on Nov. 21. There will be no fish fry on Nov. 28.

Although it is a little early to talk about Christmas, it is not too early to mention that once again the Antioch Moose Lodge will be awarding prizes for the best decorated home for the holiday season. More details concerning this contest will be given at a later date.

Antioch Fall Production Is Ready

The Ladies of Soissons, has been selected as the production at Antioch Community High School.

An original production resigned for the Pasadena (Calif.) Playhouse, the play by Emmet Lavery is the 300 year history of a group of French Nuns.

Production dates for the play are Friday and Saturday, Nov. 7 and 8. Curtain time, 8 p.m. in the high school auditorium.

Ken Smouse is the director of the highly unusual drama.

The large cast is headed by John Prossie, Dean Homan, Tom Williams and Bryan Sorensen as the four Stewards who narrate the play.

Gigi Palaske, Betty Waters and Mary Wiczorek portray the Lady Prioresse of the convent; supporting them are Debby Chandler, Linda Lance, Sarah Halverson, Avis Minger, and Tracey Hudson. The stage manager Nuns are played by Elda Minger and Judi Guadagnola.

Plan to see "The Ladies of Soissons."

Homemaking Art Show A Success

The Annual Homemaking Arts Show sponsored by the Lake County Homemaker's Extension Association was held on October 29 at the Lake County Fair Grounds, Grayslake. It proved to be a great success. Over 1,000 adults and children attended, proving that creative artistry has not lost its appeal.

Twenty-two very attractive booths were set up by the Homemakers Units from throughout the County manifesting different forms of creativity. Displayed and demonstrated were baked goods and convenience cookery with tasty samples. Decorations for Christmas and other holiday articles for tots and teens, floral arrangements, corsages, pillows, tote bags, felt fabric and plastic novelties were also shown. A booth on community services was also featured. Garments made from fur fabrics received much attention. Not wishing to forsake the little children (and grown-ups too) one of the units entertained them with a puppet show—the puppets being of their own creation.

Every hour, Mrs. Charles Wray of Wadsworth, Show Chairman, awarded door prizes to those holding lucky numbers. The recipients were thrilled to receive the beautiful hand made articles donated from the booths.

After viewing the booths, collecting samples and instructions, the visitors enjoyed refreshments in the adjoining Extension Building, where Mrs. Melbourne Mudd of Libertyville and her committee served homemade goodies at the tables decorated with Fall mums. Mrs. Peter Snesby, Gurnee, County Council President and others, were busy taking pictures for future viewing. Mrs. Warren Chard, County membership chairman manned the Information Booth. She distributed brochures describing the Extension Educational Program available to all Homemakers in Lake County. For more information call the County Home Eco-

Brownies Hold Fly - Up

On Wednesday, Nov. 5, Grass Lake Brownie Troop 210 held its first fly-up ceremony.

The Brownies taking their first step forward in the Girl Scout movement were Nancy Blaney, Bonnie Lama, Charlotte Lavan, Renee Mayer, Kim Molley, Imogene Reese, Maureen Traves, and Kim Zimmy. The girls received their wings and were welcomed into Junior Troop 157 by the Junior girls.

The Brownies presented a puppet show and each told what she likes best about being a Brownie. The ceremony was held in the cafeteria of the Grass Lake School and was attended by the Brownies, their families and the Junior girls.

Seven year old girls who were interested in becoming Brownies were also invited. Mrs. Barbara Beese, leader, organized the troop last spring and have been meeting each week with the girls.

Moon Shot Landing Big Hit

Fran Miller, from the volunteer speakers bureau at Illinois Bell Telephone was guest of St. Peter's Altar and Rosary Society last Monday evening. Miller spoke in place of Robert Stenson who was hospitalized recently.

Children and adults alike were captivated by Millers description of Project Apollo and the dynamics of space travel. Color slides were shown, including photos of the Moon landing, recently released by NASA. Many little known facts on space travel were interestingly explained by Miller.

Refreshments were then served by Shirley Gutowski, Millie Milowski, Terry Hanson, Evelyn Freund, Rose Endries, and Julie Nicoli.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" is the title of the Christian Science Lesson-Sermon to be read in the denomination's churches next Sunday.

The following verse is included in the Responsive Reading: "Wherefore the rather, brethren, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall."

Services, open to all, begin at 11 A.M., in First Church of Christ, Scientist, on BEACON HILL, Rte. 173 and Harden, Antioch.

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God, and lifted their lives higher than their poor thought-models would allow,—thoughts which presented man as fallen, sick, sinning, and dying." **II Peter 1:10 **page 259.

THE ANTIOCH NEWS—5

Freshmen End Season With 7-2 Record

Antioch's freshman football team ended their season on a rather sour note, losing two of their last three games. On Oct. 25 Warren beat the young Sequoits 20-8. Last week Antioch beat Zion 12-0 but then lost to Grant 20-14.

In the Zion game Tom Pfachler was the workhorse, gaining 219 yards in 25 carries. Tom was the whole offensive punch as the rest of the backs had a minus 45 yds. Tom scored on runs of 8 yards in the first quarter and 13 yards in the third quarter. The defense played a strong game allowing

Zion only two good gains on passes. The "B" team also beat Zion, 14-8. The "B" team ended up with a record of 6 wins and only 1 loss.

Last Saturday the Grant Bulldogs spoiled Antioch's finale by scoring with less than a minute left in the game. Antioch was led again by Pfachler who gained 115 yards in 18 carries. Tom also led the defense with 9 tackles and 3 assists. Missing from action was Charlie Chapman who was in the hospital with torn ligaments in his right knee. Tim Mieuire filled in capably for the injured Chapman. Overall, Antioch played a listless game probably due to the fact that it was their third game in eight days. Coach Norm Hahn agreed up to a point: "I'm sure the boys were not too peppy because it was our third game in a week. It is very difficult to get any players, but especially freshmen, keyed up for three games in so short a time. But regardless, we just did not play good ball. Grant did nothing unusual. They simply outplayed us."

Steak Shoot Set For November 9

The McHenry Sportsmen's Club will stage a special Porterhouse Steak Shoot on their club grounds Sunday, Nov. 9, starting at 11 a.m.

Over one hundred thick, juicy, aged porterhouse steaks will be on the line for shooters, in contests designed to enable ordinary shooters to latch on to a fair share of the loot, as well as events in which top gunners compete against their counterparts for the meat.

There will be no increase in the shooting fee for this one, it being a bonus-plus shoot for loyal participants of past McH.S.C. shoots.

The day's program of events will also include Hi-Lo, Single, Double, Triple and Quintuple White Bird Shoots, Winner-take-all, and fun-type Protection and Annie Oakley Shoots.

All events are ten-target contests, with the exception of the Annie Oakley shoot.

Hot refreshments and shells will be on tap in the warm clubhouse all day. Watchers and kibitzers are welcome, too.

The McHenry Sportsmen's Club is on the west side of Pistakee Bay and can be reached from the east via Route 134 Big Hollow Road to its western terminus, then a right turn for one-half mile. From the west the route is through Johnsburg, across the Fox River to Adams Repair Shop, and a left turn to the "V", then another left for one-half mile.

Benefit To Aid PTA Fund

A donkey basketball contest will be held Thursday, Nov. 20 in the Antioch High School gymnasium to benefit the P.T.A. Scholarship Fund.

The first game will get under way at 7 p.m. with an 8th Grade team from St. Peter's challenging the 8th grade team from Antioch Grade School.

The feature game, scheduled for 8 p.m., will be the ACHS faculty against the 'A' Club.

Proceeds from the event will aid the fund which issues two or three scholarships each year and the 'A' Club to help purchase special athletic equipment for the athletic program.

Dufern, Mattes Winner

Another four hour enduro was held at Stowe's Hobby Barn Sun., Nov. 2. The eight qualifying teams came from all over.

Lon Strickland came from Oklahoma to team up with Chuck Moran from Waukegan. They did great in the beginning and the end, but motor trouble in the last of second and first of third hour, put them too far behind to catch up. They came in fourth.

First place went to the team of Mick Dufern from Lake Shalagala, Wis. and Ken Mattes from Lake Villa. They averaged about 825 laps an hour.

Second place went to the "big guys" from Waukegan, Rich and Bill Kolb and Tom Grutz.

Third place went to the team of Fred Boness and Tim De Cesaro from Kenosha. Fred designed his car with two Hemi motors, side by side. We really didn't think it would work, but he fooled everyone, missing second place by only 10 laps.

Rocket launch in the afternoon — Race in the evening — Checkers all day — ending with bar-b-q and the usual question — When is the next enduro.

A rocket club is being formed by local launchers. Anyone interested call 395-4080.

Antioch Buries Grant

The Antioch Sequoits exploded last Saturday night and buried Grant by a score of 44-8.

The Sequoits, who have had trouble scoring all year, finally put together an attack that paid off and gave the team its third win of the season.

They rolled up 367 yards from scrimmage, 122 rushing and 245 passing with nine completions out of eleven.

Grant netted 277 yards, 210 of them through the air with 17 of 35 in the completion column.

Terry Triplett was Antioch's man of the hour in the first half, scoring one touchdown in the opening quarter on a one-yard plunge and the other on a 20 yard sweep in the second period.

Eric Claeson completed a 33-yard touchdown pass, off a double reverse, to quarterback Doug Camp. Two point conversions after each of the touchdowns, one by Tom Martin on a pass from Camp and the other by Kevin O'Neill on runs, saw the Sequoits with a 24 to 0 half-time lead.

They added two more touchdowns in the third quarter, the first on a fumble recovery in the end zone by Neal McKenzie and the other by O'Neill on a 54-yard pass play from Camp. Claeson converted on a run making the score 38 to 0.

A long touchdown pass from reserve quarterback Bob Gross to Claeson made it 44 to 0.

Grant scored in the closing minutes of play on a 20-yard pass from quarterback Bill Verleier to end Jeff Taylor. Mike Pawloski converted on a run.

Music Students To Tryout For Concert

Music students from more than 125 high schools, including Antioch, in seven Illinois counties have been invited to audition to perform in the second annual Chicago Metropolitan Orchestra and Chorus concert to be held in Chicago's Orchestra Hall on November 24.

The concert will be presented by American Youth Performs, a nationwide cultural effort, sponsored by American Airlines, dedicated to finding outstanding young performing artists and giving them recognition.

For the second year suburban and city schools will be brought together to form one combined music group made up of a 120-voice chorus and a 110-piece youth symphony orchestra.

Featured guest conductor will be Louis Campiglia, conductor of the San Diego Youth Symphony Orchestra.

Stanley Ackerman, orchestra director of the new Trier East High School, and Ron Schweitzer, assistant conductor of the Chicago Symphony Chorus will help prepare the selected student artists for the Nov. 24th Orchestra Hall concert.

Angus Calves Take Feeder Show Honors

A fancy load of 25 Angus steer calves, shown by Jerry Adamson, Cody, Nebr., walked off with the Grand Championship honors at the 25th annual Chicago Union Stockyards Feeder Cattle Show and Sale, October 23. These Angus took top honors over 3,000 steer calves, yearlings and heifers in Angus, Shorthorn and Hereford breeds.

Reserve Grand Champion load of 25 went to Earl Henderson and sons, Alliance, Nebr., with Hereford steer calves. Henderson was the big winner at last year's show, also with Hereford steer calves. Champion Shorthorn honors went to a load of 25 steer calves owned and shown by Gillet Abbott, Kioiwa, Colo.

This, the "showcase" of the nation's feeder cattle, produces "one of the best set of feeder cattle we've ever seen," said Melvin Neftled, Kings, Ill., chairman of the three man judging committee. Other judges included Howard Freeman, prominent cattle feeder from Clarence, Ia., and Paul Lamb, University of Illinois livestock specialist from Champaign, Ill.

Other featured winners includes Elizabeth Cattle Farms, Elizabeth, Ill., with first place in Hereford heifer calves and Camp Brothers from Big Timber, Montana, with a first in Hereford yearling heifers.

At the annual Feeder Cattle Sale, Oct. 24, Adamson's Angus sold in lots of five at an average price of \$63.00, with the top pen of five selling for \$75.00. Selling in lots of five gave 4-H and FFA members an opportunity to start projects for the next year.

Henderson sold his top load for an average of five lots of \$59.59. Abbott averaged for five lots of five \$53.00. The average for 3,000 head of feeder cattle at the show, selling mostly in lots of 25, was over \$30. Buyers from Iowa, Illinois, Indiana, Michigan, Minnesota and Nebraska were bidding in the sale.

Titans Are First

The Salem Titans were able to come back and defeat the Razorbacks by a 38-32 count, the victory assured the Titans of undisputed first place. Both teams entered the game with identical 6-1 records in the last regular scheduled game of the season.

The game pitted a powerful running game by the Titans against

Bond Sale For County \$680,352

Lake County residents purchased a total of \$680,352 in series E and H United States savings bonds and Freedom Shares in September according to Richard F. Kennedy, and Richard D. Newland, Waukegan, Ill. general county co-chairmen of the savings bonds committee.

Sales in the state of Illinois were \$22,111,679, according to Clarence S. Sochowski, state director of the Treasury's savings bonds division.

National sales were \$351,000,000 in September, and the Illinois total represented 6.3% of this amount. National sales of Freedom Shares, which are bought by purchasers of series E savings bonds, totaled \$30 million in September.

This is 27% increase above last year. The cash value of E and H savings bonds and Freedom Shares outstanding on Sept. 30 was \$52,107,000,000.

Cemetery Assn. Elects New Officers

The Antioch Hillside Cemetery Association held its annual meeting Oct. 29 at 7 p.m. in the Strang Funeral Home to elect new officers.

George Bartlett was named president and other officers include Fred Hawkins, vice president; Mrs. Joseph E. Horton, secretary; William E. Brook, treasurer; and Earl Horton, Mrs. Antoinette Fields, Mrs. Fern Lux Watson, Joseph E. Horton and Robert J. Wilton, trustees.

the Razorbacks who posed a good running attack along with an outstanding passing game. In a previous encounter the Razorbacks defeated the Titans in the closing seconds of play by a 21-20 score.

In what proved to be the most exciting game in the history of the Salem Intramural season, the Razorbacks took the opening kickoff and moved in for a score. The Razorbacks used five straight flare passes to Dave Terry, Schroeder and Jacobsen, then Jacobsen ran a fly pattern and quarterback Grabarec hit him with a perfect pass.

The play covered 45 yards and the P.A.T. was added by Schroeder. The Titans came right back and scored when McAllister raced 45 yards but the P.A.T. failed.

The Razorbacks took the ensuing kickoff and moved in for their second score of the evening. They mixed their running and passing attack well and the final 5 yards were covered on an end run by Grabarec. The P.A.T. failed and mid-way through the second half the Razorbacks held a 13 to 6 advantage. The Titans came right back as they used their powerful ground game to grind out their second T.D. The last 20 yards being covered by McAllister but the P.A.T. failed once again.

The Razorbacks moved in for their third score of the evening, in the closing seconds of the first half, as they used the running of Grabarec, Schroeder, and Yovee to move in. The last 6 yards were covered by Schroeder as he darted through an opening in the line. The P.A.T. was also added by Schroeder and the Razorbacks

Tournament Will Aid Band Trip

The Antioch Community High School Concert Band will sponsor a league bowlers' tournament at the Antioch Bowl during the week of November 17, 1969.

All participants must be in an Antioch league and must have bowled 21 games by November 17th.

The entry donation shall be one dollar per three games, and the winner, based on the highest number of pins bowled over the person's average, will receive one-fourth of the total entry fees.

The balance will be used to help finance the band's Concert Tour to New York next March.

held a 20 to 12 half-time lead. The Titans opened the second half by receiving the kickoff and within minutes had scored their third T.D. of the game. The line of Johnson, Verzal, Glasman, Slamar, and Flaschner opened another hole in the line and McAllister outran all the Razorback defenders for a 60 yard score. The P.A.T. failed for the third time and the Razorbacks still held a 20 to 18 lead.

The Razorbacks came right back as quarterback Bovee hit Jacobsen with a 17 yard scoring pass. The P.A.T. failed but the Razorbacks held a 26 to 18 lead. The Titans stormed right back, this time McAllister blasted 67 yards and also added the P.A.T. The Titans, midway through the second half had cut the Razorbacks lead to 26 to 25.

The Razorbacks took the kickoff and came right back. This time Grabarec hit Jacobsen with a 25 yard scoring loss, but the P.A.T. failed. On the ensuing kickoff, McAllister took it on his own 25 yard line and picked his way through the Razorbacks for a 55 yard T.D.

On the extra point try, McAllister bolted over two Razorbacks to reach the end zone and tie the score at 32 all. With less than a minute remaining, the Razorbacks had moved inside the Titans 20 yard line and once again Grabarec looked for his favorite receiver Jacobsen on the fly pattern.

This time the Titans had triple coverage on Jacobsen and McAllister picked off the intended pass in the end zone. McAllister broke loose once again but this time the Razorbacks caught him on the 15 yard line as time ran out. At the end of regulation play, the score was tied at 32 all.

The Titans won the coin flip and took the sudden death kickoff and moved down field. The scoring play was set up by a run by Koenekke and the winning score and sole possession of first place came when McAllister raced around right end for a 15 yard T.D.

Gerl Duncan from Antioch. Ethel Rutherford (A Fair Stranger) stars Dee D'Isa from Fox Lake, Waukegan, and now Antioch.

Amos Appleby (A Neighbor) is played by Bob Lindblad from Antioch. Lucy (A Ray of Sunshine) is performed by Elaine Breuchner, a newcomer to Antioch and PM&L.

For choice seats in PM&L's new "theatre in the square", theatre-goers are urged to make reservations. For further information concerning special dinner-theatre tickets or general admission tickets call Antioch Country Club, 395-3000 or Ricky Apostol, 395-1217.

The group announced a change in location of their annual childrens production. Due to rehearsal conflicts and technical difficulties, Hans Brinker and the Silver Skates will be given at the PM&L Theatre, 877 Main St. as in past years instead of at the Antioch Country Club.

Hans Brinker will be presented on December 6, 7, 13, and 14. All performances will be at 2:30 p.m. Valerie Hunley is directing her fifth childrens show—previous plays being "The Elves and the Shoemaker", "Flibberty-gibbet", "Rumpelstiltskin", "Heidi" and "Tom Sawyer's Treasure Hunt."

Call 395-1217 for ticket reservations.

council is proposing a door-to-door survey of the entire township to find out what sort of skills the people in the area have.

"The principal objective," Pickard said, is to determine how many people living in the area work outside of it and what skills they have.

"This would allow us to determine what would be necessary to supply in order for them to work locally. This information would also be of great value to the industry here now, as well as industry planning to locate here."

Pickard said, however, that in order to accomplish this huge task, the council would need the cooperation of all local organizations and hoped that they would offer their aid to the council.

Other members of the council include Arthur Meierdick, vice chairman; William E. Brook, secretary-treasurer; Grant E. Spong, Irving Walsh, Ken Schultz, Richard Burnett and Clifford Vanderwerker.

'Camelot' Cast Is Set

In days of old when knights were bold and their ladies fair, there lived the good King Arthur and his queen Guinevere.

And so begins the thrilling tale of 'Camelot' as written by Lerner and Loewe.

King Arthur, played by Mike Burke, is a bold and dashing chap. He has gained his kingdom through luck, or fate, as some would say, pulling his sword, Excalibur, from solid stone.

Guinevere, portrayed by Jan Hall, is all but willing to become his blushing bride. Fate again steps in and she meets "Wart", her future husband. Arthur's identity is revealed and Guinevere stares in awe at "Wart" the King.

The eternal triangle results when Lancelot Du Lac, Tom Hanson, enters the picture. He is the picture of perfection, both physically and spiritually. His perfection and lack of humility cause Guinevere to champion the other knights against him.

Pelinore, who knew Arthur as a boy, is played by Bill Harper. He is a comic old gent who adds a lively sense of humor to the triangle.

The court magician, Merlin, portrayed by George Grabiec, is constantly at Arthur's side to guide him and warn him of future troubles. He is called from earth just when Arthur needs him most.

Barbara Koenecke plays Morgan Le Fay, the fairy queen who has a never ending appetite for every imaginable type of food. She has a special taste for chocolate.

Mordred, played by Nick Litcher, is a devilish character who bribes Morgan Le Fay into building a wall around Arthur to detain his return to Camelot.

The production, slated for Nov. 7 and 8, will be the fourth musical presented at Salem High School. It is expected to draw a good crowd and will probably be the most successful production so far.

NI-Gas Finds Coal Deposits In Illinois

C. J. Gauthier, president of Northern Illinois Gas Company, reported that the utility has discovered coal deposits with possible commercial value while searching in central Illinois for underground areas to store natural gas.

He stated that NI-Gas has started a program to acquire these indicated coal reserves. Although he emphasized that further evaluation will be necessary to determine if the coal is commercially mineable, Gauthier disclosed the company has already secured some options in the area.

Evaluation of the quality, quantity and recoverability of the coal will proceed concurrently with the NI-Gas acquisition program.

Blue Jacket Choir To Perform

One of the highlights of the 1969 Lake County 4-H Club Achievement meeting will be a program by the famous Blue Jacket Choir of the Great Lakes Naval Training Center, according to Ray T. Nicholas, Lake County Extension Adviser. The musical program will be given following the presentation of awards to the 4-H members and leaders.

The Achievement meeting will be held in the Farm Bureau Auditorium on the Lake County Fair Grounds, starting at 1:30 p.m., Saturday, Nov. 15.

The Annual County 4-H Achievement Meeting marks the climax of the 1969 4-H Club year and is the occasion for recognizing members, who have done outstanding work in the project and activity programs. Medals, pins, certificates, and cash awards totaling more than \$7,000 will be given to the local leaders for distribution to the members of the local clubs. Medals will be presented to the two highest ranking members, designated as Key Club Members; and to the leaders who have earned the Award of, ing.

Members selected to attend the 1970 Illinois State Leadership Conference and the Illinois Boys Conservation Camp will also be announced.

The award of the book "I Dare You" by the Danforth Foundation will be presented to the top eight 4-H Club members not previously receiving this award for all around achievement.

All 4-H members, parents, and friends are invited to attend. Refreshments will be provided at the close of the meeting.

VETERANS DAY

NOVEMBER 11, 1969

A DAY DEDICATED TO PEACE THAT WILL SURELY COME

Fifty-one years have passed since the original Armistice Day or Veterans Day (as it is now called) . . . fifty one years and many wars since the day in 1918 when "the war to end wars" ended. We commemorate the anniversary of this day with the belief that peace will prevail and wars will end; with the hope for mutual understanding between nations and good will among all peoples; and with a sincere tribute to those who have valiantly fought for our country.
